Summer Offerings & Tithes

Please don't let your offerings take a holiday! There are many ways to continue your gifts, tithes, and offerings even if you are away (Vanco, online banking, or drop off at church when you are around). It is very helpful for the congregation if your gifts come in regularly.

Thank you! ~Your Stewardship Team

Elevator Project

In December 2019, TKE Elevator began communicating that due to electronic part obsolescence, we would soon be unable to service several critical components of the controller on our elevator and that these would become obsolete in June of 2024. Because of this, the ORLC property board proceeded in securing quotes for updating the church elevator to meet current federal and state code compliance. Quotes were received from TKE Elevator, Atlanta, GA in the amount of \$134,132.32 and Otis Elevator, West Fargo, ND at \$99,400.00. This information was given to the church council to make a decision on how to proceed. The council decided to proceed with updating the elevator and award the bid to Otis Elevator, West Fargo, ND for \$99,400.00. In order to proceed with this project, a line of credit was established with the State Bank of Danvers to cover this project. Contributions can be made to Our Redeemer's Lutheran Church with the memo "Elevator Project." ~ ORLC Property Board
