Mentors Needed!

Our Redeemer's has used mentors in our confirmation program for many years. They are people who come and sit with the students through confirmation class and then talk about the lessons with the students in their group.

Mentors don't need to know the answers or be Biblical scholars. We have two mentor slots to fill for confirmation this fall. We also need people to step forward to help as Sunday School Substitutes.

Please consider doing this valuable work and become a mentor or teacher. If you're interested or have questions, please contact Pastor Zane.
