### Awards

Ruth Krehbiel Jacobs, founder of the nationally renowned organization Choristers Guild, designed the Choristers Guild pin for use as “an insignia representing consistent effort and loyalty to a high purpose, and make the wearer a member of an international, interdenominational fellowship.” Pins will be awarded to those who earn **100 points** from the criteria listed below. A jewel will be added to the pin for each additional year the award is earned. In addition, hymnals will be presented to all sixth graders who meet the same criteria.

For each rehearsal and service one point will be given for attendance and one point will be given for good behavior. The point scale for the year will be:

- 100 points for 100% of attendance/behavior points
- 75 points for 90-99% of attendance/behavior points
- 50 points for 85-89% of attendance/behavior points
- 25 points for a complete and neat notebook (activities we do during choir)
- 25 points for bringing a new member - if member stays the rest of the year
- 25 points for return and proper care of all music, instruments, and robes
